The Master's Message

Brethren:

I would like to thank you for the opportunity to serve as Master for 2010. I have had the privilege of serving as an officer for 15 years in many positions and after moving up and down due to my own schedules and conflicts I am now able to serve Nathan Hale in the Masters position. I have some very simple but important goals for the coming year.

First, I believe we need to improve our communication. The last several years we have attempted to streamline and modernize our communication utilizing e-mails and the web-site. As an officer I was party to this and still believe we need to move in that direction. It has however had the unintended consequence of leaving some of our brethren in the dark. Our lodge like most of Freemasonry has one foot in the era of the internet and the other in the era of the quill pen. No one likes change and Freemasonry changes slower than most organizations, which is in fact part of its charm. It is an island of stability in an unstable world.

Second, I would like to continue to do and build upon what we are good at. We have been for those of you who have been able to witness it successful with our degree work. I would suggest that if you have not been to lodge to witness it I would encourage you to do so. When possible we will publish those dates and times far enough in advance so you can plan to attend. One shortcoming is that we have a core group of brothers who do this work which provides quality but we should seek to find understudies for major and minor parts. If you would like to participate please contact me or one of the officers and we will help you finding a part to match your availability.

We have had a constant influx of new members and have petitions in progress and anticipate upcoming EA's, FC's, and MM's this year. If you have not been to lodge for some time come out and meet some of our newest members.

I intend to have a Ladies Table lodge in May as this has become a popular event, and in February or March depending on available dates another pizza fundraiser. Those events will be communicated via separate mailings or the Trestle board.

To all of you and your families have a joyous Christmas season and I am looking forward to seeing you in 2010.

Fraternally,

Dick Kasza
Worshipful Master
