The Master's Message - August

Bretheren:

In answer to the question, will there be a stated meeting in August, the answer is yes. There was a stated meeting in July as well. We did not go dark this year as part of an effort by the Grand Master to get lodges to reconsider the practice of going dark over the Summer. He encouraged lodges to review their bylaws and change them if there was a requirement to go dark. Nathan Hale's bylaws had no requirement to go dark, so we voted to meet all Summer this year.

This hasn't really been an issue. Communication has been the issue, and one that falls squarely on my shoulders. For many reasons, this has been a difficult year for me to be as active as I would normally choose to be. Being in the east has compounded this, and I (as well as some others) feel that I have been letting the lodge down. It is a testament to Nathan Hale's officers and members that things have not just fallen apart, and as a lodge we have continued to move forward. We have had degrees, meetings, and a funeral recently, all through the efforts of these brothers. Thank you to all of you.

Coming up at this August 4th meeting we will be passing at least one brother on to the degree of Fellowcraft after we have completed our required business. I hope all of our bretheren will come out and join us for fellowship and celebrate this advancement. We also have a Past Master's Brunch coming up as noted elsewhere in this trestleboard, which is always a good time for all, and great eats!

Thank you for bearing with me so far this year, and I hope the remainder finds things flowing smoother for everyone.

Fraternally
Ed J Cassel WM
